Tesco Withdraws Tolworth Planning Application

Tesco have announced that they have withdrawn their planning application for a store and housing on the former MOD site in Tolworth.

The withdrawal follows a long period of consultation on the site with local residents.

Commenting on the withdrawal, James Wiggam, Corporate Affairs Manager said;

“We have taken the difficult decision to withdraw our application for the Tolworth site. We have been unable to reconcile the traffic solutions with the commercial viability of the scheme.

I would like to thank the many local residents who have taken part in the consultations on the project. We know that many will be very disappointed by our decision.

We will be reviewing all possible options for the site before making any further decisions on its future.”
